Provides optimum performance

Reduced carbon footprint in production and in transit

Multi-sector usage

Low cost in use

*The Eco Super Concentrate Range provides the highest level of cleaning performance with a minimal impact on the environment.*

- Economical in use as a multi-purpose heavy duty janitorial and front of house hard surface cleaner.
- Heavy duty formula is excellent at removing carbon deposits from ovens, griddles and barbecue.
- The citrus formula will rapidly lift grease, oils, fats and vegetable oils from tiled and safety floors reducing risks of slips and falls.
- Will rapidly remove ink stains, scuffs & sticky finger marks from hard surfaces.
- The cleaning power and fragrance of natural limonene derived from oranges assists product identification and performance with heavy duty cleaning tasks.
- Formulated as a naturally powerful degreaser to minimise environmental impact without compromising professional results.
- May also be used at different concentrations via bucket or trigger spray bottle application to fulfil a range of cleaning tasks.
- Suitable for use as a spot cleaner on carpets and upholstery.
